

A close-up photograph of two fresh salmon fish resting on a bed of crushed ice. The fish in the foreground is positioned diagonally, showing its head and upper body. It has a dark, pointed snout, a yellowish-orange eye, and a slightly open mouth. Its scales are a mix of dark grey and silver, with a hint of iridescence. The fish behind it is partially obscured but shows similar features. The ice is white and chunky, providing a cool, textured background. The lighting is bright, highlighting the freshness of the fish.
